Dear all at Heating Plumbing Supplies Ltd - HEAD OFFICE,

Thank you so much for raising a fantastic £80,602.69 through your fundraising in 2018. This brings your overall total to £650,920.81 which is amazing! Your very generous donations will help Great Ormond Street Hospital (GOSH) give seriously ill children the chance of a better future. Please pass on our sincere thanks to everyone at Heating Plumbing Supplies Ltd.

Every day brings new challenges at GOSH. Every day, 618 children from across the UK arrive for life-changing treatments. Every day, young lives hang in the balance as patients, families and staff battle the most complex illnesses. Every day, the brightest minds come together to achieve pioneering medical breakthroughs that change the lives of thousands of children across the world.

This extraordinary hospital depends on the support of people like you to help fund:

- **wards and medical facilities** designed around children, which let the hospital treat more patients
- **pioneering research** to find treatments and cures for complex childhood illnesses
- **advanced medical equipment** for treating the toughest conditions
- **support services** that help make life in hospital as normal as possible for young patients and their families

Please keep in touch and let me know about any upcoming events I can support you with, or if you'd like a tour of the hospital to see the difference your support is making.

On behalf of the children, families and staff at GOSH, thank you.

Best wishes,

Amy Day
